Cigniti Technologies is now a proud Underwriter of PhillyCIO

YESTERDAY

PHILADELPHIA--(BUSINESS WIRE)--Nov. 18, 2020-- Cigniti Technologies, a global leader in independent quality engineering and software testing services, is now a strategic Underwriter of PhillyCIO, a local arm of the InspireCIO Leadership Network. Together, they regularly convene leading CIOs, foster meaningful relationships and help CIOs thrive in today's most challenging C-suite executive role.

As an Underwriter of PhillyCIO , Cigniti would be part of InspireCIO programs such as CIO Philadelphia Advisory Board Meetings, PhillyCIO Awards Nominee Event, PhillyCIO Awards Finalist Event, CIO Only Programs, CIO Wine Experience, and Philadelphia CIO of the Year ORBIE Awards and for the promotions purposes by leveraging the key resources to support the expansion.

Speaking on this association, Kalyan Rao Konda, President at Cigniti Technologies, said, "We are excited to be part of this association which brings together the CIOs across industries of Philadelphia. This association would help understand from the CIOs themselves the innovation and technology trends. This platform provides an opportunity for Cigniti to share the latest innovation and best practices related to Quality Engineering."

Jen Wise, Executive Director of PhillyCIO, said, "We are thrilled to have Cigniti joining PhillyCIO as an Underwriter of the chapter. As an Underwriter, Cigniti will play an essential role in helping to connect local CIOs with their peers through year-round, non-commercial chapter programs and recognizing deserving Philadelphia-based CIOs through the annual PhillyCIO of the Year ORBIE Awards. Cigniti's support of these programs provides ongoing opportunities to foster relationships among top CIOs. We look forward to working together to serve and celebrate the PhillyCIO community."

InspireCIO programs are made possible through the corporate support of strategic partners known as Underwriters. These organizations represent the highest-level investors in local chapters and the senior executives of Underwriter organizations are regarded as peers by the CIOs serving on Advisory board of Philadelphia.

About Cigniti:

Cigniti Technologies is a Global Leader in Independent Quality Engineering & Software Testing services. Cigniti's 2,500+ experienced professionals are spread across US, Canada, UK, Australia, India, UAE, and South Africa. We are a strategic quality engineering partner for leading global organizations and assist them in accelerating time-to-market by predicting and preventing unanticipated failures, leveraging AI-driven, proprietary Continuous Testing & Test Automation solutions, with customer-centricity at the core of the transformation. Our test offerings are [Quality Engineering](#), [Advisory & Transformation](#), [Digital Assurance](#), and [Quality Assurance](#) solutions.

About PhillyCIO

PhillyCIO is the preeminent peer leadership network for Philadelphia chief information officers. PhillyCIO membership is comprised exclusively of CIOs (or equivalent executive roles) from public and private companies, government, education, healthcare and non-profit organizations.

PhillyCIO is led by a CIO Advisory Board which sets the annual program agenda for the association. Events are facilitated by a full-time Executive Director and professional staff. PhillyCIO events are CIO-led and attended solely by CIO-level executives.
